

Post practical colloquium

PHARMACOLOGY

Group	Topics	Tutor
1	1. Antihypertensive drugs 2. Macrolides & Tetracyclines	Prof. Momekov
2	1. Antiasthmatic drugs 2. Corticosteroids	Prof. Momekov
3	1. NSAIDs 2. Beta-lactam antibiotics	Prof. Momekov
4	1. Antiepileptic drugs 2. Antifungal drugs	Prof. Momekov
5	1. Antiviral drugs 2. Sedative-hypnotics	Assoc. prof. Nikolova
6	1. Diuretics 2. Antidepressants	Assoc. prof. Nikolova
7	1. Nootropics 2. Immunotherapeutics	Assoc. prof. Nikolova
8	1. Antiulcer drugs 2. Antidiabetic drugs	Assoc. prof. Nikolova

Every student should present hand-written thesis about both questions.

The thesis should be constructed as follows:

1. Classification
2. Pharmacodynamics
3. Pharmacokinetics
4. Indications
5. Adverse drug reactions
6. Contraindications

Students knowledge on the corresponding topics will be checked by their tutor during **15-30.09.2014**.
