

## **Admissions of foreign citizens at Medical University - Sofia**

Foreign citizens are admitted to the Medical University - Sofia in conformity with the Law on Higher Education and Ordinance on the State Requirements in Republic of Bulgaria for Admitting of Bulgarian and Foreign Students if they finished studying at the Secondary school, which enables them to continue their education in their own country and if they have marks in biology and chemistry in their diploma, at least good 4,00.

The preparatory academic year is organized at the Medical University of Sofia Department of Foreign Languages and Student Sports and includes courses in Bulgarian, Biology, Chemistry, Anatomy and Physiology.

The foreign citizens who speak Bulgarian pass an examination according to synopsis of the Department of Foreign languages and Student Sports and attend only the specialized courses.

### **Documents to be submitted:**

- Application form, with a short CV pointing out the desired speciality to be pursued;
- A copy of the document for secondary education /diploma and official transcript of the subjects studied /, legalized at the Republic of Bulgaria Consular Section in the respective country;
- A document issued by the authorities that the student has the right to continue his education at the universities in the country where he has completed the secondary education;
- A copy of the passport (identity card) with the photo and data;
- A declaration /bank certificate/ about the financial abilities of the parents to support the student during his/her education in Bulgaria.
- A medical certificate issued within one month term before the date of application certified by the Bulgarian Embassy Consular Section in the applicant's country;
- Two photos.

The documents are submitted till 1 October of the respective year personally or through a representative at the following address:

Students' Education Department  
Medical University Sofia  
15 Blvd Academician Ivan Evstr. Geshov  
Sofia 1431  
Bulgaria

The documents examined are sent to the Ministry of Education and Science that issues a Certificate on the right to study and informs the Ministry of Foreign Affairs. Having received the certificate the applicant pays the half of the preparatory academic year tuition fee into the account indicated. The foreign citizen applies for a visa submitting the Bank document about amount transferred and the Certificate at the Republic of Bulgaria Embassy.
