

IMPORTANT NOTICE

Dear colleagues,

In connection with the colloquia (with certified internship only!), please leave with the security guards of the Faculty of Pharmacy, the prepared (written) materials, according to the requirements of the departments and your student book with certified internship, in the period from 20.09 to 24.09. 2021

Student books, with certified colloquia, can be obtained at the security guards, on/after 1.10. 2021 (Friday).

In case of non-submitted or (incomplete / non-compliant) materials for the colloquium in one/or several disciplines, it will be necessary to update the materials according to the remarks made by the departments and to leave them again with the security guards, for re-inspection and validation of colloquium, on/after 4.10.2021 (Monday).

Student books, with certified, after re-examination, colloquia, will be available at security guards on/after 7.10 (Thursday).

Students who will receive certification of their internship on/after 4.10.2021. (Monday), should also leave with the security guards, the prepared materials for colloquia, together with their student book with certified pre-diploma internship, on / after 4.10.2021 (Monday)

The requirements of the Department of Pharmaceutical technology and biopharmacy to the materials that must be submitted for the successful passing of the colloquium are published here:
